90th Birthday Celebration Tournament

Friday, November 6, 2026, at 5 pm EST

Regulations

The tournament will consist of an initial phase of three rounds, played by all participants, plus a final game.

The winner of the tournament will be the winner of the final game, which will be played among the top 4 finishers in the initial phase.

All games will be played with the Wizard original deck.

Initial phase

The initial phase will consist of three rounds. The number of players per table will depend on the number of registered participants; however, the aim will be to avoid tables of 3.

The results of the games in this phase will determine a points-based ranking, according to the position achieved and in line with the following table:

	Points per Position					
Players	**1st**	**2nd**	**3rd**	**4th**	**5th**	**6th**
3	28	14	1	—	—	—
4	28	18	9	1	—	—
5	28	20	13	7	1	—
6	28	21	15	10	5	1

Tie-breaking criteria:

1. In the event of a tie in the result of a game, the total points at stake will be shared, regardless of the number of breaks.
2. In the event of a tie in the standings, the advantage will go to the player with the highest number of accumulated points.
3. In the event of a tie, the advantage will go to the player with the fewest accumulated breaks.
4. As a final criterion, a tie will be resolved in favor of the player who held a lower position before the tie occurred.

The composition of the tables will be:

- Round 1: by draw
- Round 2: gathering the players from the tables of round 1 according to standings in descending order. For example:

Round 2			
Table AA	**Table BB**	**Table CC**	**Table DD**
1A	1B	1C	1D
2D	2A	2B	2C
3C	3D	3A	3B
4B	4C	4D	4A

- Round 3: By applying the snake system in a zigzag pattern from the standings. For example:

Round 3			
Table AAA	**Table BBB**	**Table CCC**	**Table DDD**
1st	2nd	3rd	4th
8th	7th	6th	5th
9th	10th	11th	12th
16th	15th	14th	13th

The position of the players in each table will always be by draw.

Final

The final game will be played by the top 4 players from the initial phase.
In the event of a tie in the score of the final game, the outcome will be decided based on the better position in the initial phase standings.

Registration

Registration will open 30 minutes before the start time and remain open for 20 minutes.
Late registrations will only be accepted at the tournament director's discretion, provided they optimize the distribution of tables for the initial phase.

Awards

A prize pool of $600 USD will be distributed among the top 3 finishers:

- Winner: $300 USD
- Second place: $200 USD
- Third place: $100 USD
